Introducing the latest product to join Extreme Marquees Adventure Range, the Adventure Hanger. This all in one Pod is light weight and a great alternative to marquee walls. The Pod is designed to easily attach to any of the Extreme Marquee 3x3m frames using the hook and eyelet system already featured on all our roofs. The Pod also multiple tent poles so the door and windows can be opened and double as awnings, creating even more shade.

Product Features

- Convertible Door and Window Awnings
- Compatible with Extreme Marquee Frames
- Mesh storage Pockets
- Power cord portals
- Roof air vent (can be open or closed)
- Built in heavy duty flooring
- Protective cover and carry bag
- Fly screen door and windows
