

EXTREME MARQUEES

BANNER RANGE

INSTRUCTIONS

WAVE & FLARE

1. Extend the banner pole according to sizes below (Small, Medium, Large)

Small Banner Pole Length

Extend the banner pole to the **3 lines** labeled **2m**. Twist the pole until tight to secure in place. Do not over tighten.

Medium Banner Pole Length

Extend the banner pole to the **3 lines** labeled **3m**. Twist the pole until tight to secure in place. Do not over tighten.

Large Banner Pole Length

Extend the banner pole to the **3 lines** labeled **4m**. Twist the pole until tight to secure in place. Do not over tighten.

2. Insert the flexible tip of the banner into the larger end of the banner pole.

3. Insert the whole banner pole into the sleeve of the banner fabric.

4. Loop the banners rope around the pole hook and secure bauble to screw fastener.

5. Position the banner pole on the base, slide the white ring down to secure.
