

WARNING READ INSTRUCTIONS CAREFULLY BEFORE USE

Attaching the Peak Flag to a Marquee

Recommended procedure below. For attaching marquee roof and marquee setup refer to marquee setup instructions.

Remove bolt, metal washer & rubber seal, from the center pole before fitting roof.

Refer to Marquee Instructions & fit marquee roof to frame.

Insert the rubber seal, washer & bolt into the center pole.

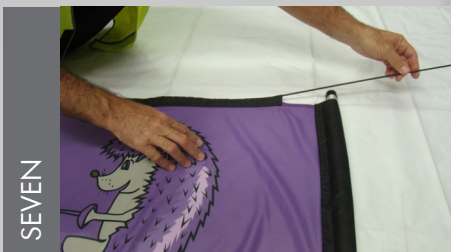

Fix bolt to be tight using a shifter. If nut is not tight marquee may leak with rain fall.

1. Peak Flag 2. Swivel Pole
3. Support Rod

Insert the Swivel Pole into the vertical sleeve of the peak flag.

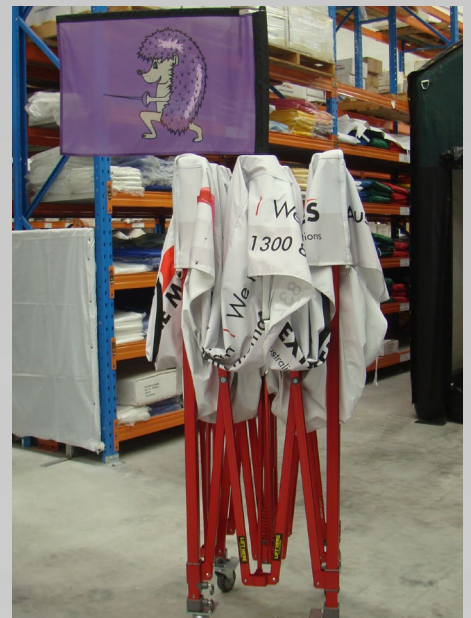

Insert Support Rod into the horizontal sleeve of the peak flag.

Insert the Support Rod into the Swivel Pole and click into place.

Insert the flag into the center pole of the marquee and click into position.

Completed view of peak flag attached to marquee.

TEN

Refer to marquee setup instructions, to setup marquee.
