ABOUT US

Extreme Marquees Pty Ltd Australia's largest manufacturer of high quality commercial grade marquees and banners. We have designed and constructed our marquees to meet Australian standards. Most of the Extreme Marquee range have full structural engineers certification.

To provide our clients with the highest quality marquees we source and import the best quality raw materials from around the globe. Our commercial grade PVC is imported from Belgium and France.

Our company's research reveals that today's customers are looking for both quality and value. To meet these demands Extreme Marquees Pty Ltd has established an Australian managed offshore factory and our distribution warehouse and service centre in Australia. This strategic company structure results in high quality products at affordable prices.

Extreme Marquees Pty Ltd was founded as a sister company of the Australian Craft Market Group Pty Ltd (established 1989) to design and supply commercial grade marquees for its Australian event management division. The charter of Extreme Marquees Pty Ltd was to design a marquee for reliability, durability and product safety in a public place.

Extreme Marquees continues to innovate and create. Our marquee technology is constantly evolving and improving. Our research and development strategy results in high quality products that are stylish, strong and importantly safe.

FOLDING MARQUEES

PRODUCT OVERVIEW

Extreme Marquees is Australia's premier supplier of outdoor promotional pop up marquees.

Distributing marquees Australia wide for over 15 years Extreme Marquees have developed a range of marquees that fit every budget and application.

From recreational use through to heavy duty commercial, Extreme Marquees has the right outdoor marquee for you.

Engineered to meet Australian standards, our ranges of folding marquees have full structural certification.

Commercial fabrics used to make our marquee canopies have Australian certified levels of flame retardant, UV radiation inhibitors and waterproofing agents.

Our frames are made from high-grade commercial aluminium or powder-coated steel and are individually checked as a part of our quality assurance program.

Our extensive range of marquees have been developed to meet any need and every budget.

A large range of accessories are also available including canopy peak flags, portable awnings, locking bar systems, yellow steel safety weight plates and sand bags.

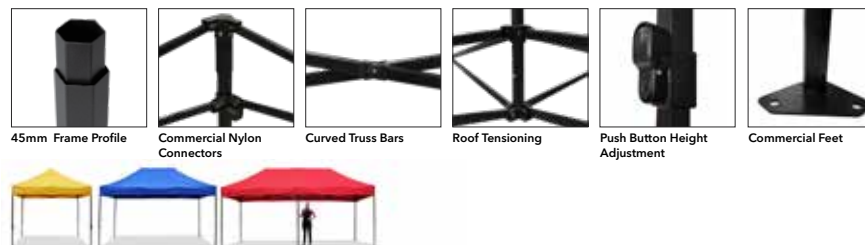

Our marquee sales consultants can recommend the right pop up marquee to suit your requirements.

CUSTOM PRINTED ARTWORK

Extreme Marquees is Australia's premier supplier of custom printed marquees and outdoor branded promotional items.

Extreme Marquees has been manufacturing and distributing custom printed marquees for over 15 years. During this time Extreme Marquees has worked with companies of all sizes and has built a reputation as Australia's premier supplier of custom printed outdoor promotional items.

There are two different printing processes depending on the fabric which is selected for your order. Digital paper sublimation process for printing on PU coated polyester and digital printing on 100% PVC.

Marquees can have as little or as much printing as you need. Starting with a single valance print to a full roof print, single or double sided printed walls and printed outdoor banners.

Extreme Marquees have a selection of custom printing packages to select from or you can design your own package to suit your personal requirements.

Do you need help with design? Let our team of designers create artwork for your marquee, banner or promotional item!

INFLATABLE ARCHES

CUSTOM INFLATABLE AND PROMOTIONAL ARCHES

Inflatable arches are a simple yet eye-catching product with a number of practical applications. Perfect for start and finish lines in sporting events and raceways, grand entrance ways to a spectacular outdoor event or function, or just as a huge branded billboard to stand over your event. We have a range of inflatable arch designs, including the square inflatable arch providing a neat and structured frame for your entranceway or finish line, which come in a range of sizes from 6 metres all the way to massive 12 metre structures.

Available with or without feet the entire inflatable arch range can also be custom printed to make a unique statement wherever it stands and perfectly represent your message or business. We've previously provided custom inflatable arches for a range of different events including charity groups and fun run and motorbike races and our clients are always amazed with the results.
