ADDITIONAL FEATURES

The Extreme Explorer is a medium strength marquee made with an all aluminium frame. Strength is gained in construction with extruded aluminium connectors and a 30mm aluminium leg profile that is 2mm thick. Explorer marquees are quick and easy to set up and utilise a pull ring pin system. This range includes a PVC coated polyester roof available in 8 vibrant colours or can be custom printed.

ACCESSORIES

Custom Printing, Full Walls, Half Walls, Weights, Steel Pins, Awnings, Gutters and Ceilings.
