ADDITIONAL FEATURES

The X6 Velocity features ultra light 45mm profile aluminium hexagonal legs. Our team of engineers have created a unique balance between the strength in the hexagonal leg design and the lightweight aluminium profile. The Velocity range is perfect as an affordable aluminium marquee that is also the lightest marquee in our range. Roofs are PVC coated polyester and available in 8 vibrant colours or can be custom printed.

ACCESSORIES

Custom Printing, Full Walls, Half Walls, Weights, Steel Pins, Awnings, Gutters and Ceilings.
