ADDITIONAL INFORMATION

The Q8 Quasar features an advanced and innovative frame geometry. The unique frame profile is the cutting edge in design and functionality. The Q8 is designed for the ultimate professional display. This marquee is a great form of portable, flexible outdoor/ indoor branding.

The Q8 professional range features a four-groove channel which provides a streamline method to attach and slide in keder tracking full and half wall panels and partitions.

An extensive range of setup options are available that make this range unique unlike any other folding marquee in the market.
