ADDITIONAL INFORMATION

The X7 Tectonic, heaviest duty marquee in the Extreme Marquees range, exceeds all expectations with unchallenged strength and durability. It outperforms all rivals and is considered the best marquee currently available in the market. The X7 is ready for everyday demands of leisure or professional use.

The X7 Commercial Range marquee features a solid 57mm hexagonal frame type with extruded aluminium connectors; and is available in six sizes and up to ten roof colours. Custom printing can be requested for a single valance print or for digitally printed roof and wall packages.
