ADDITIONAL INFORMATION

The Beta is our mid-sized lightweight, high-pressure inflatable marquee. Ideal for the professional event exhibitor this inflatable can easily fit into the boot of the smallest car. The design is as elegant as it is striking. Set-up is fast and easy. Simply roll it out and inflate. The roof can remain attached to the frame for even faster set-up. Wall panels are also available and can be plain or fully custom printed. The legs have additional valves so that water can be added to provide ballast when used outdoors.
