ADDITIONAL INFORMATION

Flare Shade has designed this product in-house to provide cool shade, great visual appeal and unbridled strength at an affordable price. The frame's centre pole bears an impressive 105mm diameter profile, complemented by the oversize aluminium support ribs which deliver durability and fortitude through all climate types, environments and a range of weather conditions.

The frame comes with a full 5 year manufacturer's default warranty. The canopy comes in an array of vibrant colour choices, crafted from high quality imported acrylic fabrics. These materials come from European manufacturers Para and Recasens, both world renowned suppliers of outdoor fabrics with a combined experience of over 230 years in the industry.
